DEMOCRACY DRAGONS' DEN

With the expenses debacle and the all-party view that Parliament needs to be cleaned up, CAER will be staging one of its memorable and fun fringes challenging the status quo of our democracy.

MPs, journalists and activists will pitch their ideas to a panel of constitutional affairs experts and be judged by the panel and audience, concentrating on Parliament, the EU and Lords Reform.

Dragons and pitchers include:

Eleanor Laing, Shadow Justice Minister

Matthew Elliott, The Taxpayers' Alliance

Peter Facey, Unlock Democracy

Anthony Barnett, Our Kingdom

Jonathan Isaby, ConHome

Philip Blond, the 'Red Tory' of Respublica

John Strafford, Conservative Campaign for Democracy

Douglas Carswell MP, author of *The Plan* & autumn bill for open primaries

Michael White of the Guardian

Dr Ken Ritchie, Chief Executive of the Electoral Reform Society

Lewis Baston, joint author of *The Political Map of Britain*
