List of Questions to ask: -

Your Chief Constable

- How many officers are employed in your force full-time and part-time?
- How many of these are trained to identify victims of Human Trafficking?
- Are your police staff aware that this person is the lead on this matter?
- How many premises were raided in Pentameter 1 and 2 in your area? Are venues identified in Pentameter 1 and 2 being raided which could house victims of Human Trafficking?
- How many arrests were made in your area?
- How many suspected victims of Human Trafficking were identified in your area?
- What steps are you/the Chief Constable taking to press the Home Secretary for a Pentameter 3?
- How many brothels/saunas/lap dancing establishments are known to the police?
- How many have been raided in the last year?
- Have they found victims of Human Trafficking?

Your Director of Childrens' Services.

- How many children are in care in your area?
- How many care homes are there in your area?
- How many children have gone missing from these care homes in the last 24 months?
- How many shelters are there in your locality for victims of Human Trafficking?

Private Employment Agencies

- What awareness is there of debt bondage in the area?
- Specifically in the agricultural, construction and hotel & restaurant businesses?
